

I'm a future subscriber to XM
the feature that attract me are its ad free format and formating.
I feel the traditional radio owners are more concerned with lost revenue and
less about addressing consumers needs

the sucess of satellite radio shows that consumers want a change and are willing
to pay for it.

please remember the FCC and its rules are for the consumers not big business

please reject the NAB's petition 04-160 to limit the consumers choices
